

WACMA MEETING
October 3, 2006

- Attendance:** Sue Stalewski, Steve Joyal, Dawn Adams, Darlene Schmidt
- Secretary's Report:** Approved
- Treasurer's Report:** Minutes approved with note to correct Scholarship account.
We never closed out Band accounts. We were waiting to see if some of the students would return. The group gets one-half and the Scholarship Fund gets one-half. Orchestra is up-to-date, they received \$105.96. We should also be receiving two checks from Pick-N'Save, One is our quarterly check and another is a reissue, since the previous check expired.
- Orchestra:** Choir/Orchestra Concert will be on October 19th, **not the 18th**.
Mrs. Michels is still looking for an Orchestra Liaison.
- Choir:** The trip to New York will be very expensive and require a lot of fundraising. To date, no fundraising has been done.
- Fundraising Ideas:** Sell Butter Braids for \$8.50, cost is \$5.50. Company is out of Kenosha, Wisconsin.
Sell bulbs for planting, timing must be right on this one. Poinsettia sale will run as planned and the timing of the concerts this year is very good, December 12th & 14th. Sue will put a Poinsettia flyer in the concert program on October 19th and in the program for the musical, "The Wizard of Oz".
We do not have a final tally, but it is assumed that the Entertainment Book sale went well.
- Musical:** Musical rehearsals are underway. Scott did get 150 children that tried out for "munchkins" and "flying monkeys".

Musical (cont'd)

We will again pay for a page ad in the Musical Program for \$350.00.

Advocacy:

Sue did send an ad promoting student participation in music to all elementary principals to include in their newsletters, "Making Music makes you Smarter". Mr. McMonagle was invited to our meeting.

We continue to remain active as a group by fundraising, supporting the school musical, supporting and working with the directors, and continuing to advocate for music throughout the district.

Meeting adjourned at 6:40 p.m.. Next meeting on Tuesday, November 7th at 6:00 p.m.

Happy Fall!
