## Summer Music Scholarships

The W.A.C.M.A. summer music scholarships are available to all current members of the West Allis Central band, chorus or orchestra. The purpose of the scholarships we offer is to help defray the total cost of summer music camps or other musical enrichment activities that require financial input. All applicants must be continuing in music to be considered for a scholarship.

The scholarship money is raised primarily through the scanning of Pick'N'Save grocery receipts throughout the year. The number and the size of the scholarships are dependent upon this fund.

Applicants are evaluated and the scholarships are awarded to the students based upon these factors:

1. **The applicant's attitude and achievement in music throughout the year.**
2. **The musical quality of the intended use of the funds.**
3. **The applicant's participation in a variety of school musical activities.**

If for some unforeseen reason the student cannot use this scholarship, please notify the W.A.C.M.A. Treasurer immediately. Failure to do so may jeopardize consideration for future scholarships from this organization.

## Application Process

To apply for a W.A.C.M.A. summer music scholarship, complete the attached application neatly accurately. Be specific. For example, "I wish to use the money to take a summer master class series with bassist David Baker of Indiana University." is better than "I need money for bass lessons." Answer the questions completely and to the best of your ability. Scholarships are based on natural ability, instrument, or chair. Only the factors listed above will be considered.

The application must include the name, address, and phone number of the person or organization to which the money will be paid. The scholarship will be sent directly to the named person or organization. (For example: Mr. David Baker, Indiana School of Music, 2420 East 3<sup>rd</sup> Street, Valparaiso, IN~444.)

**Completed forms must be mailed to our scholarship chairperson and must be postmarked on or before Monday, April 24, 2006.**
